

School-Parent Compact Template Example Two

Schools and parents may use the sample template below as a framework for the information to be included in their School-Parent Compact. Schools and parents are not required to follow this sample template or framework, but if they include all of the bolded items listed below, they will have incorporated all of the information required by section 1118(d) to be in the School-Parent Compact. Please remember however, that school-parent compacts should be uniquely tailored to each school. Schools and parents, in consultation with students, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement.

The following template and materials are provided by the Connecticut Department of Education as part of their initiative entitled: *"Dust Off Your Old School Parent Compact: Ten Steps to Success for Developing Title I Family School Compacts."* To access more information about their ten step process including videos, PowerPoints, handouts and tools please visit <http://schoolparentcompact.org>

Please Note: While the Connecticut Department of Education does not require parent, teacher, and school representative signatures on their school-parent compacts, the Georgia Department of Education does as part of its cross-functional monitoring process. Therefore, it is suggested to use the language below on a cover sheet attached to the School-Parent Compact brochure to collect the necessary signatures and verify all parties have read and agreed to the School-Parent Compact. Allow the parent to keep the School-Parent Compact brochure as a reminder of their commitment. Also, make sure a School-Parent Compact revision date (M/D/Y) is included on the brochure as well.

Teachers, Parents, Students – Together for Success

In The 4th Grade Classroom

1B

The 4th grade team will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Provide parents with a home learning kit full of fun materials dealing with estimation and place value.
- Offer three Family Fun nights per year in our Parent Academy, concentrating on estimation and problem solving strategies.
- Our monthly newsletter will feature games that families can play to review the vocabulary words we have introduced in our classroom.
- Our class web page has links to family friendly web sites for building vocabulary and math skills.

2

At Home

Nutmeg School parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list.

- Have fun with math. Use materials in the math kit to explore math at home.
- Try to attend Family Fun nights or get information from the PTO or my child's teacher if we can't attend.
- Play word games with the new vocabulary words and find ways to use these words in family conversations.
- Look for the class newsletter each month and check out the school web site.

3

Nutmeg Students

Nutmeg School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

- Talk with my family about new vocabulary words and what I am learning in math.
- Bring home our class newsletter and notices about Family Fun nights.
- Keep a log of games I play at home to practice new vocabulary words and math.
- Try to make up my own learning game and share it with the class.

Family Fun Nights are a great place to learn new words, practice math – and win prizes!

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Nutmeg Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/or observe in the classroom, please contact: Patti Muñoz at pmunoz@nutmeg.org or 860-555-1212, Ext 12 or go to our school Web site and click on the Parent Button.
